

BORYS GRINCHENKO KYIV METROPOLITAN UNIVERSITY

"APPROVED"

the decision of the Academic Council
of the University
April 25, 2024, minutes №6

Enacted
by order № 377 from April 25, 2024

Procedure

**of academic degrees recognition obtained in foreign education institutions at
Borys Grinchenko Metropolitan Kyiv University**

I. GENERAL PROVISIONS

1. The Procedure is composed according to the order of Ministry of Education and Study of Ukraine "On academic degrees recognition obtained in foreign education institutions» out of 08.05.2016 №952, registered at the Ministry of Justice of Ukraine 08.26.2016, №1188 /29318.
2. This Procedure defines legal and organizational basis for on academic degrees documents recognition (qualification documents) at Borys Grinchenko Metropolitan Kyiv University (hereinafter - the University), issued to citizens of Ukraine and foreigners by certification bodies of other countries.
3. This Order applies to:
 - Certificates of doctoral and PhD degrees, state documents (of specified standard) issued by the competent authorities of other states;
 - Documents to award academic degrees that are equivalent to such documents issued in Ukraine, namely:
 - ✓ Doctor of science, Ph.D., corresponding to PhD qualifications;
 - ✓ Dr. Habilitated, corresponding to Doctor of Science qualification.
4. Documents issued by the certifying authorities of the USSR and Russian Federation according to the results of theses defense up to 01 September 1992 do not require recognition.
5. The following documents will not be recognized: •
 - Certificates of academic degrees that are not state documents (not of specified standard);
 - Doctorate diplomas without recognized diplomas of Ph.D. degree or its equivalent issued by certification authority of another state to a citizen of Ukraine;
 - Documents certifying the qualifications where the level does not correspond to the doctorate qualifications (or PhD), which the person claims;

- Documents issued to the results of unduly defended thesis by a foreign education institution;
- Documents that are not genuine;
- Documents that cannot be correlated with the third educational or scientific research levels of higher education according to the legislation of Ukraine.

In this case, the materials are returned to the applicant without consideration.

6. In case at any certification period it becomes evident that false information/documents issued by foreign higher education institutions were submitted to academic degrees recognition (except spelling and technical errors), University decides to refuse the recognition of the degree gained at foreign higher education institution. The university forwards the information on the person stated at the documents lacking authenticity to the law enforcement authorities of Ukraine.
7. The University Academic Council makes the final decision on the certificates recognition of foreign degrees during the application process of pedagogical, scientific, scientific-pedagogical and other employees, as well as during the academic admission of applicants.
8. The University conducts the procedure of academic degrees recognition obtained at foreign higher education institutions for:
 - foreigners, including those, who have a permanent residence permit in Ukraine, a refugee status, persons without citizenship who apply to continue education and/or to apply for a position of scientific or scientific-pedagogical staff of the university;
 - citizens of Ukraine applying for the position of scientific or scientific-pedagogical staff of the university.

In the case the scientist possesses a Certificate of Science Degree diploma recognition, issued by the Ministry of Education and Science of Ukraine, the University does not initiate the recognition procedure.

II. THE PROCEDURE OF ACADEMIC DEGREES RECOGNITION OBTAINED AT FOREIGN HIGHER EDUCATION INSTITUTIONS BY THE UNIVERSITY

1. A scientist or another person representing his interests on recognition procedures, submits documents for academic degree recognition gained at a foreign higher education institution to the rector's advisor on legal and personnel affairs of University, according to the following list:
 - personal application by a scientist (in a free form) to initiate academic degree recognition of a certificate gained at a foreign higher education institution;

If the Law of the State in which a higher education institution issued a diploma of a scientific degree, does not oblige to publish an abstract, the scientist submits a paper copy of annotation of his thesis in the state language, certified by his signature and its electronic copy.
- a list of publications signed by the applicant according to the appropriate form (Annex 2);
- a copy of a document on name or surname being changed in case the scientist had changed his name or surname (if such a document exists).

10. The procedure of recognition at the Academic Council of the University:

- the scientist whose academic degree is a subject to the recognition procedure must be present at the meeting of the Academic Council of the University.
- the Chairman of Specialized Scientific Council / Head of the department represents the applicant whose academic degree is a subject to recognition procedure, following that members of the Academic Council ask questions at will and participate in discussions.

11. The Academic Council of the University makes the decision of the academic degree recognition gained at the foreign higher education institution using open vote by a simple majority of those who are present at the Academic Council meeting. The Chancellor of the University and Scientific Secretary of the University sign the decision.

Based on the decision of the Academic Council of the University about recognition / rejection of academic degree gained in a foreign higher education institution, issues an order published publicly on the website of the University.

The order of the University on academic degree recognition gained in a foreign higher education institution confirms the right of a person to continue training and / or employment at the University.

12. The scientist may appeal to the Chancellor of the University on the decision of the University for recognition / rejection of academic degree gained at a foreign higher education institution no later than two months from the date of its adoption.

In the case of appeal, the Chancellor orders to form the Appeal Committee by involving experts from the relevant scientific domains.

The University can involve experts from other universities or scientific institutions to the structure of the Appeals Committee for their consent.

The Appeal Committee prepares a conclusion within a month, signed by all committee members. The University decides to satisfy / reject the appeal on the conclusion of Appeal Committee; the University issues a subsequent order.

If the appeal is satisfied, the question of academic degree acquired in foreign higher education institution recognition is seen again with the assistance of experts who did not participate in the consideration of this issue before.
